

Provence

In the heart of the Luberon, Buoux invites the whole family to learn to climb. With routes accessible from 8 years, everyone can live the adventure, supervised by professionals, in a natural and soothing setting. A sharing experience, between sport and beautiful landscapes.

In the heart of Provence, the Aroma'Plantes distillery introduces children from 8 to 14 years old to the manufacture of soap. A fun and sensory workshop, to create your own shower gel while discovering the secrets of plants. A creative break to live during the holidays.

Coquillade Hotel

In the heart of the Luberon, Coquillade blends refinement and nature. Its spacious suites and private villa offer an ideal setting for families, between relaxation, spa and outdoor getaways.
